Greedy Cat's Breakfast

Greedy Cat had breakfast.

But still he wanted more.

So Greedy Cat went next door.

He drank some milk.

He ate Rabbit's carrots.

Then he ate Mouse's cheese, Ant's rice,

Puppy's meat and the man's pizza.

He felt sick!

Shopping for Christmas Presents

I am walking along Barry Street. I go there because I need to buy some Christmas presents for my friends Paul, Peter and Mary. First, I go to the book shop to buy some comics for Paul because he likes to read comics very much. And then I go to the toy shop to buy a robot for Peter because he has wanted to play with a robot for a long time. But when I go to the shoe shop to buy a pair of beautiful shoes for Mary, I realise I have no more money! So I go to the bank to get some money. Then I go back to the shoe shop to buy the beautiful shoes for Mary.
