## My New Class

I am in Class 3G. My class teacher is Miss Kwong. There are twenty-seven students in my class.

My classroom is on the second floor. I have many friends at school. They are Joy and Xavee. They are my best friends. At recess, I eat snacks with my friends and play hide-and-seek. It is so much fun.

I really love my new class because I can make many new friends and I have many new things to learn. I like my new class.

It's fun to learn and play with friends.
