

## Hobbies

I am Adrian Fu. I like to play basketball. It is interesting because I like teamwork. I am happy when I play with people. I enjoy playing the trumpet. I like the fabulous sound of it because it is clear. I want to be the trumpet player in the flag-raising ceremony too.

My friends Austin and Jason both like basketball because they think it is fun. Austin likes playing table tennis because of the fast pace of the game. He has to think and act spontaneously. Jason likes to play football. This sport is challenging, it requires a team of players to work together.

We have a lot of hobbies. Hobbies are good for us. We can make friends, learn to communicate with others and have meaningful leisure time.

## My Christmas Holiday

Hi! My name is Edgar! My Christmas holiday was from the twenty-third of December to the second of January. I went to sleep over at the Gold Coast Hotel. I went there with my best friend!

When I arrived there, I saw a huge Pokemon Christmas tree! I also got a special gift. It was a Pokemon cap. It was very attractive! We had a buffet dinner. I ate sushi, spaghetti, chicken, cookies and candies. They were very delicious! We liked the decorations in the hotel. At night, we watched a Pokemon film. It was wonderful. We enjoyed it very much with popcorn and orange juice!

I want to have a box of Lego for my Christmas gift. I like Christmas because I can receive a surprise Christmas present from Dad.

My other friend is Nicole, her hobbies are ice-skating and doing puzzles. She likes ice-skating because she thinks it is funny. She likes doing puzzles because she thinks it is exciting.
