My Birthday

On my birthday, I want to go to Ocean Park in the morning. I want to take a ride on the roller coaster. I want to go there because Ocean Park is interesting.

In the afternoon, I want to go to McDonald's. I want to go there with my friends. I want to go there to have a party. I want to go there because having a party is fun.

I feel excited and amazed to go to Ocean Park and have a birthday party at McDonald's.

Christmas Holidays

Dear Kelly,

Thanks for sending me the leaflet about the December Carnival. Our Christmas holidays are from 23rd December to 2nd January.

The Piano Festival and the Drum Festival are in the same week. I think the workshops sound interesting because we can learn to play the drums. Are you interested in the Drum Festival?

There are some holiday classes too. I'm not interested in the chess class but I'm interested in the sports class. I can't play badminton or football. I think playing sports is difficult. I want to learn football. What about you?

There are two exhibitions as well - an art exhibition and a toy car exhibition. I think the toy car exhibition sounds interesting. What do you think?

Talk to you later.

From,

Sam
