My Summer Holidays

In my summer holidays, I went to Korea. I went to Korea with my parents. We went there by plane. We stayed at a hotel.

I went to Dongdaemun and Gyeongbokgung Palace. I went shopping and sightseeing in Korea. I love Korean food; especially the fried chicken. We bought some souvenirs.

I enjoyed this trip very much because it was a lot of fun. The Korean Palace was very unforgettable. I loved this trip very much. It was a nice trip.

A decorative border in pink ink surrounds the page. It features a repeating pattern of stylized flowers and swirling lines. The top and bottom borders are horizontal, while the left and right borders are vertical, meeting at the corners.

Eating Out

I usually eat out on Sundays. I chose this day because my maid has a holiday that day, so we need to eat outside. I eat out with my parents.

My favourite restaurant is Pizza Hut because the food is yummy. I like Italian food best because I like pasta. I like green salad, spaghetti with meat sauce and apple pie, because they are delicious. I usually spend three hundred dollars on the meal.

I like eating homemade food more because the food is healthy.

I can drink more water to make me healthy.
