

A decorative border in pink ink surrounds the page. It features a repeating pattern of stylized flowers and swirling lines. The flowers have three petals and a central stem, while the swirls are simple loops. The border is consistent in color and style throughout the page.

Our Favourite Snacks

We are going to have a Christmas Party. The party will be held on the 20th December, 2019. Our group did a survey on our favourite snacks.

Three of us would like a packet of potato chips. None of us would like a carton of raisins. A bar of chocolate is the most popular. A carton of raisins is unpopular.

A packet of potato chips is cheaper than a bar of chocolate. A packet of wafers is healthier than a bar of chocolate. A packet of potato chips is the cheapest and the most unhealthiest snack.

A decorative border with a repeating pattern of pink flowers and swirling lines surrounds the text.

A Letter to Zoe

2nd October, 2019

Dear Zoe,

I am a student at your sister school. I want to be your pen friend.

I live in Wanchai in Hong Kong. I live in a flat with my parents and brother. There is a playground in my housing estate.

I like playing table tennis and doing karate. I also like reading magazines and collecting stickers. At weekends I play table tennis with my brother.

I have one brother. I am shorter than my brother.

Please write soon and tell me about your hobbies.

Your new friend,
Lea
