A Letter to Zoe

3<sup>rd</sup> October, 2019

Dear Zoe,

I am Arthur Ho. I am a student at your sister school, Hennessy Road Government Primary School. I want to be your pen friend.

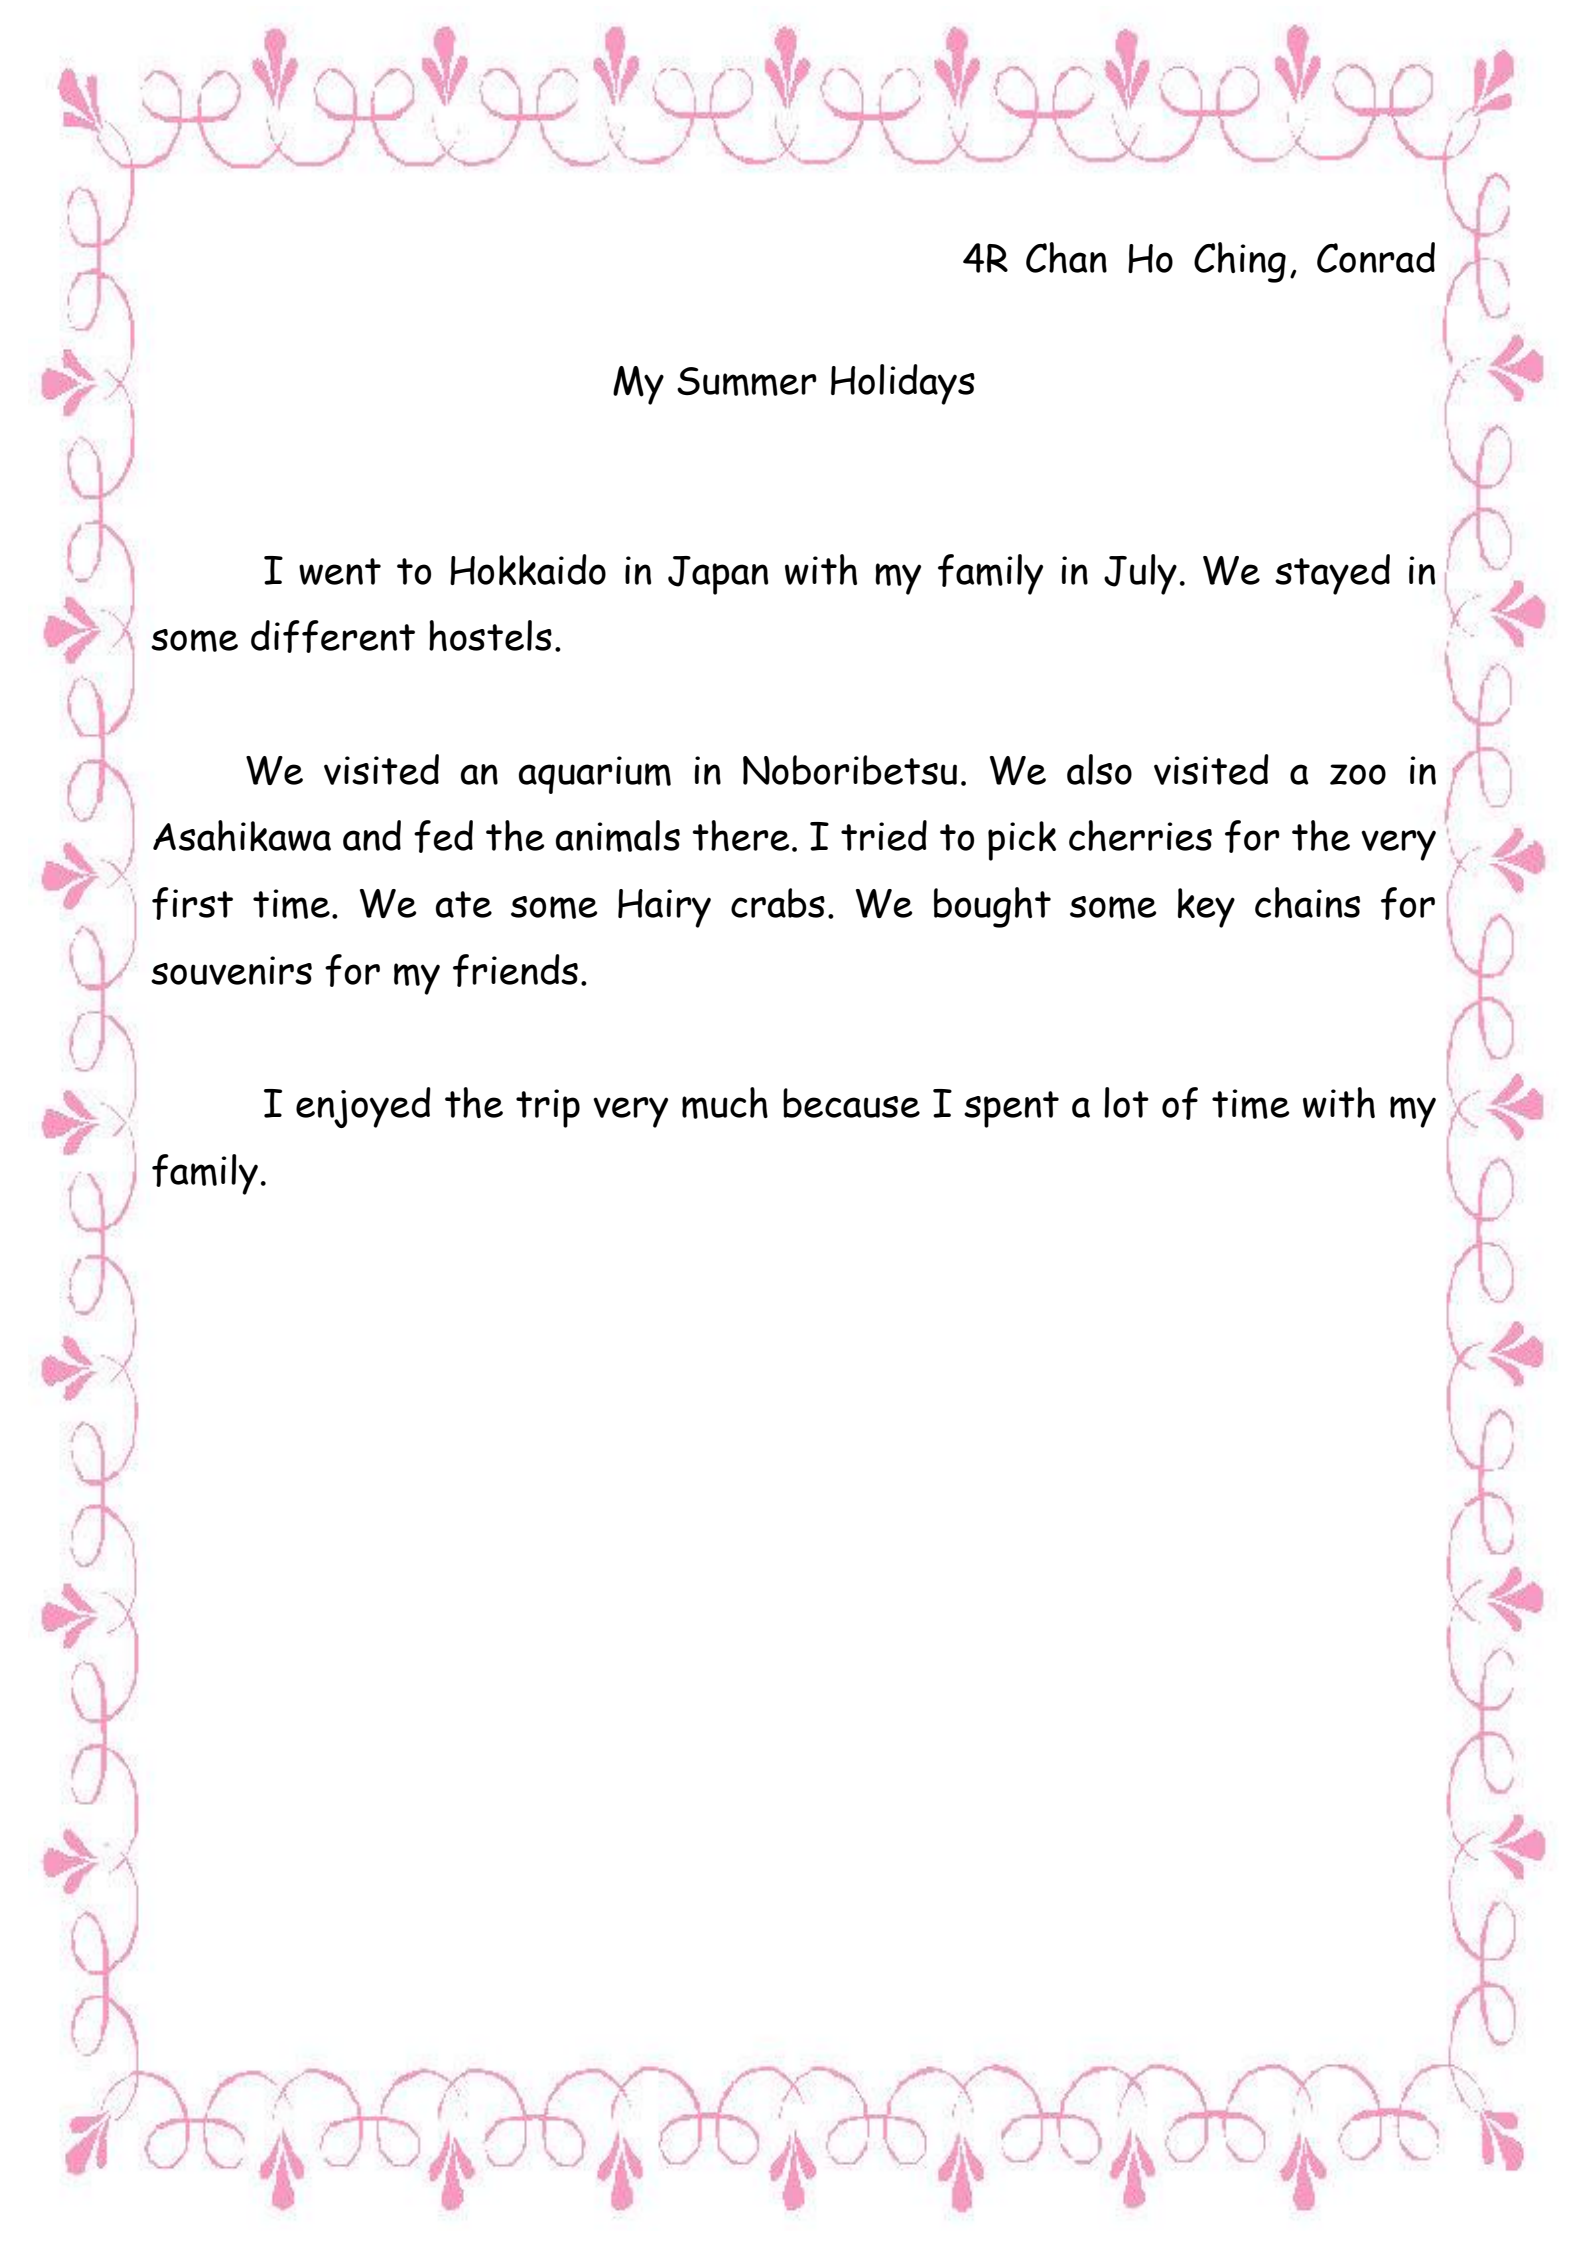

I live in a flat in Hung Hom, Hong Kong. I live with my aunties, my parents and my younger sister. There is a big basketball court and a playground in my neighbourhood. We always have dinner in the restaurants next to my block of flats.

In my free time I do a lot of activities. I enjoy playing table tennis, basketball, volleyball, football and going swimming and cycling. I always play table tennis, basketball, volleyball and football. I often go swimming, cycling and play tennis. We are going to travel to Thailand soon. I can't wait to go there!

My best friend is Moses. I am nine and he is nine. We go to the same school, but we are in different classes. He is taller than me. He is heavier than me. His ears are bigger than my ears. At recess he always plays with me. He likes making funny faces and telling jokes. I think he is very funny.

Please write soon and tell me about your hobbies and your best friend.

From,  
Arthur

A decorative border in pink ink surrounds the page. It features a repeating pattern of stylized flowers and swirling lines. The top and bottom borders are horizontal, while the left and right borders are vertical, meeting at the corners.

## My Summer Holidays

I went to Hokkaido in Japan with my family in July. We stayed in some different hostels.

We visited an aquarium in Noboribetsu. We also visited a zoo in Asahikawa and fed the animals there. I tried to pick cherries for the very first time. We ate some Hairy crabs. We bought some key chains for souvenirs for my friends.

I enjoyed the trip very much because I spent a lot of time with my family.
