

My Christmas Holiday

This Christmas, I went to Hong Kong Disneyland with my family. We spent two days there. We stayed in Disneyland Hollywood Hotel for one night and went to the theme park for the other day.

When we arrived at the hotel, my brother and I immediately put on our swimming suits as we both wanted to swim. However, the outdoor swimming pool was closed. We were really disappointed. Mum had suggested we swim in the swimming pool, but Dad thought the water would be too cold for us. At last, we didn't swim and we went to play at the playground. I played on a scooter and travelled among the three Disney hotels along the waterfront. It was fun and amazing. And my brother played frisbee with Dad on the lawn. At night, we had a buffet dinner at Enchanted Garden Restaurant. I ate a lot as I was very hungry and the food was delicious! We also took a lot of photos with the cartoon characters like Mickey Mouse and Minnie Mouse. That night, my brother and I watched TV until midnight.

The next day, we spent the whole day in the theme park. It was very crowded there, there was a long queue for all the attractions. We needed to queue up for 40 minutes in order to take photos with Santa Mickey. It was horrible. So, it turned out we didn't spend time lining up for photos with cartoon characters. Instead we made use of the priority pass and fastpass. Finally, we went on the roller coaster ten times. It was crazy! The next ride I picked was Winnie the Pooh. It was another attraction I loved the most. I enjoyed riding on the honey hug and met Winnie the Pooh!

We played until the park closed. I felt tired but happy! I wish I can come to play again during Chinese New Year!

A School Trip to Mainland China

This Thursday and Friday, our school organised a study tour to Mainland China. It was fun!

On Thursday, we took our school bus to Shenzhen Wan Port. After we passed the Port, we took our school bus to Humen Lin Zexu Memorial Hall. The tour guide told us about the destruction of opium by Lin Zexu and the Opium War. I took some photos there.

Then we took our school bus to Weiyuan Battery. We saw a lot of batteries. They were so big!

After that, we went to a restaurant to eat lunch. There was so much food, we couldn't eat all of it.

Then, we went to Sun Wen Memorial Park. I learned many things about Sun Wen, such as Sun Wen's life story and how he overthrew the Qing Dynasty. Sun Wen was very patriotic.

Then, we went to the Memorial Hall of Zhongshan's former residence. We saw where Sun Wen lived before. Then, we went to eat dinner.

After that, we arrived at Hui Quan Hotel in the evening. The next morning, we ate a buffet breakfast in the hotel. It was very yummy! Then we went back to school.

I think this study tour was fruitful. I learnt many things. I learnt about Lin Zexu's determination for destruction of opium and Sun Wen's patriotism.
