Mrs. Chan has two children, Ken and Pam. Ken is lazy. He just watches TV all day. He does not help with the housework. Pam is untidy. She does not tidy her room and she just reads books all the time.

One day Mrs. Chan is sick. She feels ill. She needs to take a rest. The house is untidy. The floor is dirty. There is a lot of rubbish on the floor! The clothes are on the sofa. There is a book on the table too. The bookshelf is untidy.

Ken and Pam have a plan. Ken folds the clothes. Pam sweeps the floor. Mrs. Chan feels happy. "Good job, children", she says. Now Ken and Pam do the housework every day.
