I arrived in Hong Kong last night. The weather was windy. I was tired after the long flight so I went to bed early. I slept very well.

This morning I woke up early. Andrew and his family cooked breakfast and we ate together. Then we went shopping for some clothes.

After lunch Andrew, his classmates and I went to Ocean Park. We went on the rides and I felt excited on the rides. Then we played booth games together.

In the evening Andrew and I went back home. I felt bad because I was stinky, so we took a bath then we played computer games. After that, we had dinner with his grandparents. What a good day! I love Hong Kong.

I arrived in Hong Kong last night. The weather was warm. I was tired after the long flight so I went to bed early. I slept very well.

This morning I went to a Chinese restaurant. I ate a lot of dim sum. The food was yummy. After the meal I went to the park. I played with Kelly and her friends. I was very happy.

After lunch we went to Ocean Park. We watched a magic show. We saw the dolphins and seals. They were so cute! I took a lot of photos. Then we went on the rides. I was excited. It was a lot of fun!

In the evening I had a buffet meal. The food was yummy. "Surprise!" said Mum. Today is Kelly's birthday. They bought a cake. Kelly blew out the candles and cut the cake. We took some photos. What a great day!
