

My Special Memories

When I was five years old, I hurt my knees. I cried and cried, so my dad carried me like a baby all the way home. When we got home, I told my mum what happened. She turned on her computer and searched on Amazon.com. Then she bought a box of puzzles to comfort me. I wanted to play with the box of puzzles when it arrived, but I couldn't sit down so I was sad.

When I was seven years old, I got the champion award for Fun and Friends (my homework on the computer). It's not just any champion. It's the champion of the whole Hong Kong! I was so surprised that day.

When I was seven years old, I went to Disneyland for the second time with my friend. I was very excited. We rode on lots of rides. We had a wonderful time. I still remember which day I went there.

My Special Memories

When I was 3 years old, I went to kindergarten for the first time. I was not scared. In fact, I was happy all day!

When I was 4 years old, I had my first birthday party. I invited a lot of friends. And I made my own pizza! It was SO much fun!!!

Last Saturday (27th February, 2021), I watched a movie in my home with my family. The movie was called 'Cloudy with a Chance of Meatballs 2'. It was funny that first time! It was very interesting!
