Mother's Day

It was Mother's Day yesterday. I made a card for my mother wishing her a happy day. I drew a beautiful flower and wrote 'I love you very much' on the card. She was surprised, happy and touched.

In the morning, we had breakfast together. We had food such as eggs, bread, ham and sausages. And we drank some soya milk and coffee.

After breakfast, we went ice skating in Taikoo Shing with my cousin. It was the first time I went ice skating. I was so scared of falling down and getting hurt. Luckily, my cousin taught me the skills of ice skating. I mastered it very quickly.

In the evening, we went to Aberdeen to have seafood to celebrate Mother's Day with my family. We had a lot of seafood such as fish, shellfish, lobsters, crabs and other seafood. The food was yummy and delicious. My mother was very happy because we shared the happiness of Mother's Day.

I love you, Mother!

Ocean Park

Last Sunday, I went to Hong Kong Ocean Park with Dad, Mum and Sister.

First, we took the site map at the entrance of the park. Then, we went into the park. We saw a special car. It was a cable car with lovely dolphin characters. When we got into the cable car, we looked down and saw the beautiful sea. My sister was scared because the cable car was high.

Then, we went to the Water Park. We played water games with our colourful water guns. It was exciting! Finally, we had buffet in the Hong Kong Ocean Park Marriott Hotel. "All the food is yummy!" we said.

What a memorable trip it was! I am looking forward to the next visit.
