Create a Monster

If I can create a monster, I will call it Fluffy. It is fluffy and cute. It is thin and colourful too. It eats grass so it won't hurt anyone.

Fluffy is friendly and helpful. You can talk to it and play with it too. It will help me to do my housework. It will live in a cave with its friends.

Fluffy is nice and not scary. I hope that Fluffy will be a real creature, and people will love it.

The Mountain Trip

Once upon a time, there was a girl called Lucy. She wanted to go on a mountain trip. She packed a lot of food, water and some new clothes.

After eating her lunch, she changed her clothes and got all her stuff and started her trip happily.

When she was at the top of the mountain, she found she was in a big storm. The storm blew nearly all her belongings away. She lost her sandwiches, some of the water and most of the new clothes.

Unexpectedly, she was no longer able to stay at the top of the mountain. She had just one bottle of water left. She started to run back down the mountain as fast as she could before it got dark.

Fortunately, Lucy had thirty dollars in her pocket and so she bought some spaghetti with tomato sauce for a midnight snack.
