My Dream Pet

This is my dream pet. It's a hamster. It is small and fat. It has big black eyes. It also has a short fluffy white tail.

It is cuddly. It can run and jump. It likes to play with people and do tricks. It is very cute.

It likes to eat seeds and fruit.

I love my dream pet because it is cuddly.

Helpful Children

Mrs Chan has two children, Ken and Pam. Ken is lazy. He watches TV all day. He does not help with the housework. Pam is untidy. She reads books all day. She doesn't tidy her room.

One day Mrs Chan is sick. She sleeps in bed to take a rest. The house is untidy. The floor is dirty. The clothes are on the sofa. Everywhere is messy.

Ken says, 'Lets help Mum to do the housework.' 'OK!' says Pam. Ken folds the clothes and Pam sweeps the floor. Mrs Chan is happy. 'Good job, helpful children!' she says. In the end, the children learn to help at home.
