

A Trip to Thailand

When I woke up, my dad told me that we were going to Thailand. I was so surprised. When we arrived at the airport, we needed to wait for a long time. When we were on the plane, Dad told me that we needed about two hours to get there. We travelled for a long time. At last, we got there. I was so excited! When I got to the hotel, I was even more excited!

On the second day, I woke and changed my clothes to get ready to go to the zoo! I needed to wait for my family to get ready. When they were ready, we set off to the zoo. When we got there, I saw lots of animals. There were tigers, lions, giraffes, monkeys, hippos, crocodiles and zebras.

After visiting the zoo, we got back to the hotel and left all our things in our room. Then we went to the restaurant to have lunch. After we finished our lunch,

we went shopping at a mall. We bought some clothes and some jeans.

On the last day, we went to a food market. We ate a lot of food. We ate ice-cream, curry fish balls and meat. We also drank some lemonade too!

I felt so happy on my trip!

Christmas Holidays

During Christmas holidays, my mum, my friends and I go to see a lot of Christmas trees and have a party at my friend's home.

At the Christmas party, there is Santa Claus and a small Christmas tree. There are also some puffs, sushi and a Christmas cake. They are so yummy! My friends and I make a Christmas tree. We decorate the tree with carrots, broccoli, blueberries and grapes. It is a very special tree! It is eatable!

I want to get a doll for my Christmas gift, because the doll is cute. I saw it in a toyshop.

I feel joyful about Christmas. I will never forget this wonderful Christmas holiday!
